

Qur'an in chronological order

Most versions of the Qur'an are printed in the order of the longest Surah to the shortest. If you want to read the Qur'an in the chronological order in which Mohammed is thought to have written it, print out this booklet and put it into your Qur'an for quick reference.

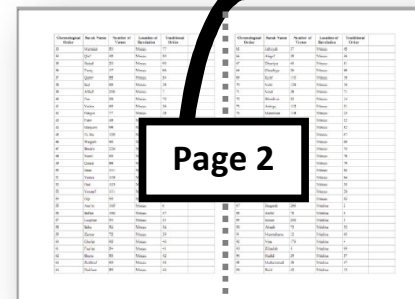

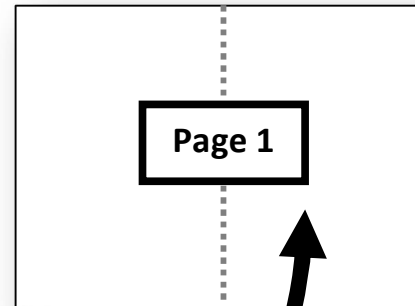

Method 1 – If your printer can print on both sides

- Go to the Print menu of your PDF software
- Click on "Properties"
- Find the option to print on both sides and print
- Fold in the middle to get booklet
- Cut away some of the margin to make booklet smaller
- Add your own page numbers as required

Method 2 – If your printer can only print on one side

- Print the two pages separately
- Glue the pages (white on white) onto each other
- Fold in the middle to get booklet
- Cut away some of the margin to make booklet smaller
- Add your own page numbers as required
